SPECIAL NOTICE

The bidder's attention is directed to Section 2, "Proposal Requirements and Conditions," Section 3-1.01B, "Award and Execution of Contract," and Section 4, "Beginning of Work, Time of Completion and Liquidated Damages," in the special provisions. In addition to the item prices and totals, the proposal shall set forth the number of working days bid to complete all the work. Working days are defined in Section 4. The lowest bid will be determined on the basis of the "Total Basis for Comparison of Bids" set forth in the Engineer's Estimate.

Bids in which the number of working days bid for completion of the work exceed 1280 will be considered non-responsive and will be rejected.

No incentive payments will be paid nor will disincentive deductions be charged on this project.
